Sir,

With reference to your letter No O.C.2343of 23-24 dated 18th.July 1924,forwarding copy of letter No.L.9676/ M1. dated 18th.June 1924 from the Secretary to the Government,Local and Legislative Departments and requiring me to furnish information on certain points desired in the --- letter ~~re~~ regarding the opening of Library and the Committee constituted therefor,I have the honor to state as follows -

1. The proposal for establishing a Central Public Library at Tarikere for the use of the Public and visitors from the various parts (malnad Etc)of the Sub Division was discussed by the Tarikere Municipal Council at its --- meeting convened on 31st July 1923 and it was unanimously resolved by the members that a Central Library was absolutely necessary for the Town in consideration of its population and importance as a commercial centre and gateway the malnad and that it should be located in the newly constructed Chamarajendra Memorial Hall and named after the gracious name of His Highness the Maharaja of Mysore as --

Srikrishnarajendra Municipal Public Library, Tarikere and that in order to form a nucleus, Government be requested to sanction a sum of Rs 2000/- out of the closing balance of the Municipal funds.(Vide Municipal resolution copy enclosed.)

2. On a reference being made in the matter in this Office No.114 dated 3rd.August 1923, Government were --- pleased to approve of the proposal of starting a Library and permitted as a first measure expenditure of Rs 750/- for the purpose of the Library in their order No.L.5287-9/Ml.30-23-6 dated 9th.January 1924 and subsequently in their order No.L.7055 -7/Ml.30-23-8 dated 6th.March 1924 permitted the naming of the Library as Srikrishnarajendra Library.

3. Thereupon the Inspector General of Education was addressed as per orders of Government to kindly furnish a list of English, Kanada and Urdu books to be purchased for the Library out of the grant of Rs 750/- and the ---- Municipal Council in their meeting held on 25th.May 1924 unanimously resolved that a Library Committee be constituted to select books out of the lists available and also generally to bring the Library to working order and placed the funds sanctioned by Government at the disposal of the Committee. (Vide Municipal resolution No.17 dated 25th.May 1924.)

4. In order, however, to make the Library as representative and useful as possible, the Municipal Council, in the course of their discussion on the budget, made a provision of Rs 2000/- to be spent during the current year for the further development of the Library and the Council has also placed the necessary furniture already available at the disposal of the Library and is going to take up the management, running of and keeping it up to date until the Library can be self supporting, the Municipal Council will manage the same on order that this Library named after

after His Highness may be a complete success and satisfy --- one of the prime educational needs of the place. But the --- Government have only permitted an expenditure of Rs 750/- - during the current year.

5. As regards the point on which an answer is required, I beg to state that as regards point one the same is fully - explained above as also in my previous letters soliciting -- sanction for the formation of the Library and the Library -- was constituted under the resolution No.29 (v) dated 31st July 1923 of Municipal Council sanctioned as per Government Order No.L.5287-9/Ml.30-23-6 dated 9th.January 1924 and --- named as per Governemnt Order No.L.7055-7/Ml.30-23-8 dated 6th.March 1924. The Library Committee has been formed under the authority of the Municipal Council's resolution No XV11 dated 25th.May 1924 and its proceedings are reported to the Municipal Council.

6. The Library forms the part of the Municipal --- Council at present and will, as stated above, be located in the newly constructed Chamarajendra Memorial Hall. It will continue to be so until the Library is able to stand on its own legs or otherwise ordered by the Government.

7. The Library is newly established and is therefore in its infancy and at present has got ~~xxxx~~ 59 English --- books, 65 Kanarese books and 93 Urdu and Persian books It is hoped to add to this during the current year. Both during the last and the current year a sum of Rs 750/- has been sanction -ed by Government ~~eyt~~ out of Municiapl funds, while a sum of --- Rs 2000/- has been provided in the budget estimates of the - current year.

8. As this initial outlay was thought insufficient -- both the Government and the District Board have been - - requested to patronise the Library and sanction a suitable

grant for this, which will serve for the malnad and divisional area and is expected to play an important part in the Educational development of the people of the malnad. The District Board Vice President appears to think, that simply because the Municipality has taken the initiative and the Library is located in a Municipal area, the District Board has nothing to do with the same. As explained above, this is a Central Library, designed to serve the malnad area and as such the Library has got a claim on the District Board as a means of Educational development and starting of Libraries is one of the functions of the District Board, just as a Hospital or any other institution located in a Municipal area has got claim over the District Board. This aspect of the question will be brought before the District Board once again. The grounds on which the Government has been requested to help the Library are fully explained in my representation to the Chief Secretary to the Governemtn Of Mysore submitted through you with this Offic No. 855 dated 14th June 1924

9. It had been proposed and provided in the budget estimates of the current year to allow the Municipal Council to spend a sum of Rs 2000/- for the Library out of the extraordinary income of the Municipal Council. As the sum of Rs 750/- sanctioned during the last year was considered inadequate by the Municipal Council it was found absolutely necessary that a fairly large sum be provided for the purpose in order to improve and develop the Library as far as it lay in the power of the Municipal Council. The Government have however sanctioned only a sum of Rs 750/- during the current year also. The Municipal Council before submitting their budget estimates fully considered the question of providing this grant. It was considered that as the total income of the Council could bear such a grant and as the Municipality had not till recently taken any steps in this direction and that as the moral and meterial advantages of a Library to the Town in addition to the rural populace were deemed to be very great, the same was approved and retained.

I The statement showing the financial condition of the Tarikero Municipal Council is herewith submitted for favour of perusal.

I have the honor to be,

Sir,

Your most obedient servant,

President, Municipal Council,

Through,

Deputy Commissioner, Kadur District,
CHIKMAGALUR.

Sir,

In submitting herewith for your kind information and sympathetic consideration the proceedings of the " Library Committee formed by the Municipal Council (Vide their resolution No XVII dated 25th May 1924) I beg to state as ~~follows~~ follows -

Finding that Tarikere though the gate-way to malnad and an important commercial centre and Railway junction was ---- literarily and intellectually starved and there was not even an up-to-date Library and a Reading Room, prime necessities for any civilised community, the subject was duly considered by the Municipality and it was unanimously resolved to open up a representative Library and name it after His Highness the Maharaja of Mysore Sri Krishnarajendra Library and also to open a Reading Room in the Sri Chamarajendra Memorial Hall under construction. The Municipality also resolved on spending Rs 2,000/- for forming a neucleus of a representative Library and sought sanction of the Government for the same, fully hoping that the Library will soon attract both [redacted] Government and public patronage - and thus develop itself.

P.T.O.

The Government in their Orde o. L. . 2
-6 dated 9th January 1924 have sanctioned the opening of a Library, but in view of the finances of the Municipal Council, they sanctioned only a sum of Rs. 750/- to be met out of the closing balances of the Municipality and also accorded kind sanction to name it " Sri Krishnarajendra Public Library " in their order No. L.7055-7/M1.30-23-8 - dated 6th March 1924. Accordingly the Municipal Council have taken action and not only are spending Rs.750/- for the purchase of books, but have also placed furniture worth about Rs.600/- at the disposal of the Library and have - besides provided a sum of Rs.2000/- in the next year's -- budget to buy books for the library. But as you are kindly aware, this amount, though the highest, which the Municipality could contribute, is like a drop in ocean and such things are mainly dependent on the sympathy and patronage of Government and accordingly I beg to request you on --- behalf of the Library Committee to kindly sanction a grant of at least Rs. 3,000/- for the coming year, for the purchase of books to the library and also to be pleased to - sanction a recurring annual grant from State Funds for the purpose in order that the library be made as representative and successful as possible. The amount which is very small can either be sanctioned from the Budget of the Education --- Department or from the Malnad Improvement Fund in as much as intellectual development and improvement of the people of malnad is quite a reasonable charge on the fund.

Favour of early orders sanctioning the grant prayed for is requested.

I beg to remain,
Sir,
Your most obedient servant,

CHAIRMAN.

It is also resolved that both the Government and the Municipal Council be requested to sanction recurrent grant
